- **Awards** - Macmillian Best English Student, Akure-2009, Top 50 developers for Enyata ProjectBuildup.

MORE

I'm a member of DSCOAU-Developer Student Club, UTTSA-THE UNIVERSITY TECHNOLOGY AND SCIENCE STUDENTS ALLIANCE. I'm also the TeamLead of students in Faculty of Technology in ChristTribe. I've tutored secondary school students python and django under the flag of Tech Quest.

I enjoy singing, dancing, playing guitar and parkour. I'm also a great cook, although my friends argue it.
